ASSO. GERMAN DOCTORAL RESEARCHER

FEBRUARY 2025

## DOCTORATES ALL OVER EUROPE

The pan-European association **Eurodoc** represents Early Career Researchers (ECRs) all over Europe. It currently counts 26 Members throughout 24 Countries, which are all national representations of either doctoral researchers or PostDocs.

## FEDERAL ELECTION 2025

On Sunday, Feb 23rd, a new federal parliament was elected in Germany. We will stay strong on our demands concerning WissZeitVG and other political decisions about the German research landscape.

**We fight for you!**

## MEET OUR PROGRAMMATIC OFFICER:

Leon Chryssos is a PhD candidate in physics at TU Munich. He serves as our current programmatic officer. His tasks are consolidating issues and demands of PhD candidates into position papers aimed at influencing political decisions and improving their circumstances in Germany.

## WHAT IS HAPPENING FOR PhDs?

- **20 years of Salzburger principles:** These guidelines from the Bologna process describe how a good doctorate is supposed to be and updated 2010.
- **10th international day for Women and Girls in science:** the UNESCO celebrated female scientists for the 10th year, because highlighting female achievements in a field where the female perspective is often overlooked is important.
